MEDICAL.

DR. G. W. PHILLIPS'
Magic Cough Syrup
Is the most reliable remedy for the rapid and per-
manent cure of Coughs, Colds, Influenza, Bronchitis,
Hooping Cough, Croup, Sore Throat, Bleeding Lungs
and all diseases of the Throat, Lungs and Chest. This
remedy is safe, reliable, and the only one that has
proved itself a universal remedy for all the above dis-
eases. The testimonials published are from our most
distinguished citizens here at home, who have been
cured by its use.

Important Testimony.
From Hon. J. W. Chapman, Judge of First Judicial
District, Indiana.
Dr. Geo. W. Phillips, Cincinnati, Ohio.—Having
personally and in my family, and having seen its ef-
fects on others, in numerous instances of severe cold
and all diseases of the Throat, Lungs and Chest, I
unhesitatingly recommend it as an in-
fallible remedy in all such cases. If this Syrup was
in general use, I confidently believe a large majority
of the colds, accompanied by coughs, that now termi-
nate in Consumption, would be effectually arrested.
In fact, I can not see how it could be otherwise. I
respectfully yours, J. W. CHAPMAN.

Read This, Also.
From Hon. H. Stirling, LL. D., Judge of the Superior
Court of Cincinnati.
Dr. G. W. Phillips, Cincinnati, Ohio.—I have
been using your Magic Cough Syrup for some time,
and it has been used with great success in my family.
It is a most reliable and efficacious preparation
for the cure of ordinary colds, as well as of the
affections of the throat and lungs. Many of my
patients have told me that they feel the good effects of this
remedy, and that they regard it with great favor.
Respectfully yours, H. STIRLING.

the Cure of Rupture.**
A CERTAIN CURE.
The undersigned prepares a Plaster out of Swiss
Alpine herbs, which he recommends to all suffer-
ing from Rupture, as a remedy which will cure the
disease in the oldest cases, in a short time,
without pain. Having proved its most wonderful
effects in curing many years' practice in New
Zealand and Germany, he would invite all ruptured
persons to give it a trial. One pot of it (the price
of which is \$3) will effect a cure in most cases. It is
for sale at A. & S. WELLS' Drug Store, north-east cor-
ner of 5th and Main streets, Cincinnati.

THE PRESS.

TUESDAY, MARCH 22

ACQUITTAL OF BUSH.—The trial of Francis
Bush, in Chicago, for the murder of James
Maguire, is rapidly drawing to a close. The
lasted through the entire of nine days, and oc-
casioned a great interest in the city and
neighborhood. The jury acquitted him on the
ground that Maguire first assaulted the prisoner,
and with such violence as to justify the fatal
retort. The Press and Tribune, however, is
not satisfied with the verdict. That journal
says:

"The acquittal of Bush, charged with the
murder of Maguire, will, we fear, give a fearful
impulse to crime and lawlessness in this city.
We had hoped that the days of the bludgeon,
bowie-knife and revolver had passed, and that
hereafter we might say that life is as well pro-
tected in this commercial center as in the most
quiet rural district of New England. But when
quibbles and technicalities are resorted to
for a jury to ward off what ought to be the
inevitable consequences of a crime like this, and
which Bush committed, those who have mur-
dered in their hearts, and to whom pistol-prac-
tice is a pastime, may take courage. The hang-
man's office is a sinecure. Let neighbors, who
have disputes about boundary lines, forego the
early adjustment of the law, and themselves
kill in defense of their fancied rights. Let
trespassers, however innocent of criminal in-
tention, beware of the swift bullet which may
let out life. Let the 'making of faces' at any
silly and hot-headed young man, if coupled
with the opprobrious epithet, 'Dutch distich', be
cause of instant death. Let Murder war the
red hand in defiance of law—juries are com-
plaisant, and the life of a man is nothing! We
write with feeling; but let the reader turn to
the instructions of the Court—instructions con-
coined in just and businesslike language, and
clothed in language that none could misunderstand
stand—and see what a monstrous wrong this
jury has done. This verdict is, and will be, a
standing reproach to our courts and to Chicago
justice."

SCHOOL TROUBLES.—Some four hundred chil-
dren, of Catholic parents, attending the Elliot
School, Boston, have been expelled from the
school, for refusing to join in chanting the Lord's
Prayer and Ten Commandments, in conformity
to the rules of the public school. The School
Committee and teachers remain firm, and a
large number have been dismissed from the
school.

Since the above was written we hear that
quite a number of parents have returned their
children to the school, and express themselves
as well satisfied with its management. It is
stated that Father McElroy, of St. Mary's
Church, has expressed disapproval of the ac-
tion of his colleagues. One of them, a
stranger in the country and very zealous in be-
half of the Church. The Bishop has been
consulted regarding the trouble, but his opinion
is not known.

PIRSTLY REBELLION.—A Roman Catholic
clergyman in New York, named Dayman, has
been suspended by Bishop Hughes for out-
of-the-way language in his clerical addresses. It
appears from the facts in the case that the Re-
verend gentleman, in a discourse to his con-
gregation prior to his suspension, made use of
expression that "hell was paved with the skulls
of God's priests," which coupled with the
fact that the Reverend gentleman is rather en-
thusiastic in his style of preaching, caused the
Archbishop to order his suspension. Reverend
Mr. Dayman is a proselyte from Pro-
testantism, but is a brother of Captain Day-
man, of the British steamship "Beyron," of
Atlantic cable fame. He declares his in-
tention of building a church at his own expense, and
his congregation have declared their intention
to follow their pastor.

AN ABORTION CASE.—A singular abortion
case is attracting considerable attention in
Philadelphia. A young girl, named Hannah
Jane Toppin, died recently of the disease. A
person named Hudson, suspicion being excited,
an investigation followed, which revealed the
fact that the young woman, believing that she
was enceinte by a young man named Dunlop,
with whom she kept company, went to Mrs.
Hudson to have an abortion performed. Mrs. H.
performed an operation that caused the young
woman's death. The post-mortem examination
showed that the young woman had not been
enceinte. The coroner's jury have returned a
verdict against Martha Hudson for causing
death. The body of the young woman, and
her husband, Dunlop, are now in the hands
of the coroner.

THE LOWE TRAGEDY.—Says an exchange:
Exactly as might have been expected, the citi-
zens of Hawesville, Ky., find it just as trou-
blesome to get rid of the assassins of the wretched
Lowe, as it was to get rid of him. He was a
troublesome, quarrelsome, dangerous man, and
Lowe and Order stood long on while a set of
cowardly villains murdered him in cold blood,
pretending to believe that he was "a coat of
mail," while knowing that he was but one man,
wounded, naked, unarmed and helpless. Now,
"the whole community" would, it is stated,
hang his murderer for help. Mr. Dewey, an
aged mother was immediately on the spot, and
she succeeded in extinguishing the fire. The
burnt lady having been restored to her senses,
exhibited no signs of suffering; but that night
she gave birth to a little girl, and about an
hour after expired.

PROBABLE SUICIDE OF "BOSS HARRINGTON."
William Harrington, aged fifty-five years, was
known as a pugilist in New York City, disap-
peared from his home nearly six weeks since,
and no tidings have been received of him. He
remarked to his wife previous to his disappearance,
that unless he could keep down drinking
liquor, he would commit suicide by drinking
the threat was supposed, at the time, to be
a mere drunken jest; but it is thought now that
he carried his threat into effect.

REVENUE OF POSTAGE.—The single rate of
letter-postage between the United States and
Wurtemberg, via Bremen or Hamburg mail,
will in future be fifteen cents the single rate,
prepayment optional.

The rate by the Bremen and Hamburg lines
has heretofore been twenty-two cents. The
reduction results from the action of the King
of Wurtemberg in joining the German Austrian
Postal Union.

BAD NEWS.—Recent advices from the fron-
tier say that the Platte River is rushing down
in a flood, half nine miles wide. Hundreds of
early emigrants, bound for the gold mines, were
encompassed on its bank waiting opportunity to
cross. Fort Kearney is surrounded by water,
and the Missouri, under the influence of the
flood, is higher than ever before known thus
early in the season.

PHILAN, who is to contend with Sorreller for
the \$1,000 match at billiards, at Detroit, is an
Irishman by birth, a jeweler by trade, and a
billiard player by choice. He has vanquished
the champion player of France in the three
ball carom game, and claims to be the billiard
champion of the world.

SARREITER, otherwise known as "Dutch
Hans," has been brought up to billiards as
some men are born and bred among horses.
His only laurels are a match of \$1,000 won in a
match with Barney Crystal of New York,
played "home and home," half in New York
and half in Detroit, Sarreiter being the victor,
making a run of one hundred and twelve
largest ever made in a match game of billiards.

Nicholas Trautwine and Anthony Leite, the
two condemned youths of St. Louis, for the
murder of Hugh Downey, will not be hanged.
The Governor has commuted the death-sentence
to one of imprisonment for life.

An American built bark, with a cargo of
negroes from the African coast, went ashore near
Hunakoo about the 15th ult. Her owners, it
was reported, had proceeded to St. Thomas in
boats.

The Siloam Baptist Church, on Fifth street,
Sacramento, was taken up by the wind and
carried a distance of ten feet, on the 18th. It
was not materially injured.

Ohio Legislature.

In the Senate, on Friday, bills were passed
as follows: To authorize the Commissioners of
Pike County to borrow money for bridge pur-
poses; to amend the act to incorporate the
Franklin and Warren Railroad; to authorize
the Commissioners of Coshocton County to bor-
row money to repair the highway in the
Township of said county; the House Bill to
authorize the opening of a county road through
lands owned by the State Fair in Franklin
County.

The House Bill authorizing the removal of
the county seat of Perry County, was passed
without amendment, and a motion to reconsider
made, and laid on the table.

The following bills were introduced: To re-
peal section 3 of an act further to prescribe the
duties of County Commissioners; relating to
the Lewistown Reservoir; to direct the sale of
certain lands in Union County; to provide for
the enlargement of the Ohio Penitentiary.

The House passed the following bill: Senate
Bill providing for inclosing railroads by
fences and cattle-guards; requiring Township
Clerks to give bonds; to provide for the incor-
poration of locomotive engineers. The bill making
proper appropriations for repairs on the canal
was reported back from the select committee,
and after some discussion laid on the table.

The bill to repeal the law to provide against
evils resulting from the sale of intoxicating
liquors, was made the special order for Wednes-
day next.

The Senate Bill authorizing the adoption of
children, was passed with amendments in which
the Senate concurred.

SENATE.—The Senate passed the House
bill to amend the act prohibiting citizens of
this State from holding, by appointment, more
than one of several offices therein named, at
the same time; also the Senate bill to amend
an act constituting the County of Hamilton a
separate judicial district for purposes.

The following bills were introduced: For the
assessment and taxation of all property in this
State, and for levying taxes thereon, according
to its true value in money; prescribing the du-
ties of County Auditors, to provide for the
election of Township Assessors and prescribing
their duties.

In the House a large number of bills took
their second readings. The Senate bill to pro-
vide for the renewal, and to regulate the final
payment of the funded debt of the State, was
defeated. A motion to reconsider prevailed,
and the bill was made the special order for
Tuesday next.—*Stemmer.*

CRIME.—A man named Colson murdered a
wife, from whom he had been divorced, on
Sunday, 13th inst., in Hartford, by cutting her
throat from ear to ear. He then took a quan-
tity of opium, which caused his death the en-
suing day.

On the Friday previous, two soundrels,
named Dopp and Merritt, visited the house of
a respectable Whittier family, at Enley,
Mich., and having induced his son, an estimable
young man, to come out to help fetch in
some deer, they shot him dead, and soon after
they both committed suicide—the former by
shooting and the latter by strychnine.

Washington, Warren County, N. J., has been
thrown into a high state of excitement, on ac-
count of a mysterious death. A young man, re-
spected of all, and the husband of a young
woman, very suddenly, he having previously been
in good health. A post-mortem examination was
had, when it was ascertained that he had been
poisoned. The evidence goes strongly to crim-
inate the husband, and he has absconded.

On Friday night last, at Madison, Indiana,
in an altercation between Stephen J. Hollis,
and Ebenezer Hollis, the former shot the latter
with a pistol. Hollis lived about fifteen min-
utes after receiving the fatal wound. Lancia-
ous was arrested and is now in jail.

On Tuesday night last, at Warsaw, Ky., a
trifling altercation occurred between two men,
one of whom, named Lillard, was a brother
of Henderson, when the former shot the latter
through the head, killing him instantly. Lill-
ard is now in jail.

In New York, on the same evening, a Mr.
Willis, coal merchant, in a paroxysm of jeal-
ousy—believing his wife to be too familiar
with her partner, a man named Myers—

DR. AYER'S
LUNG AND THROAT
INSTITUTE,
No. 30 WEST FOURTH STREET.

The following letter is from one of our well known
merchants. Whatever he endorses must be of sterling
value. It is well worth reading:

Cincinnati, February 18, 1859.

About a month ago I called at Dr. Ayer's "Throat
and Lung Institute," 30 West Fourth street, for treat-
ment for "Croup and Chronic Indisposition of the
Throat. The tonsils and uvula (or palate) were so
much enlarged as to render it difficult to swallow
solid food, and I was unable to get any sleep. After
told me they could not cure me. After some
careful examination and pronounced my condition
very serious, and prescribed Remedial Inhalations, and
local applications, with general treatment, and the re-
sult is a perfect cure. The inflammation has
been allayed, and the tonsils and uvula reduced to
their natural size and position. I now have no re-
mained difficulty whatever of the throat, and I
FEEL THAT I AM NOW PERFECTLY WELL.

I cordially commend Dr. Ayer's skillful and com-
petent physician in his specialty, and worthy of all
confidence. His mode of treatment is rational, pleas-
ant, and certainly in my case successful. I have
every reason to believe the Doctor is equally suc-
cessful in all other cases while I have been under treat-
ment at the Institute.
